

# LE NUANCIER

Attention, le rendu des coloris dépend  
de l'étalonnage de votre écran ou de  
l'impression. **N'hésitez pas à nous  
demander de vous envoyer un  
nuancier en stratifié si besoin.**

|                                                                                   |                              |                                                                                     |                             |                                                                                     |                           |                                                                                       |                            |                                                                                       |                               |
